

Warranty Information

RPC Range

The manufacturer Seeley International Pty Ltd (Seeley), Warrants that the product is free of any defects in the material and factory workmanship. Subject to terms of warranty, Seeley will repair or replace at its option, the product or any part there of, which examination shows to be defective, for a period of **three (3) years** from date of purchase when the unit is used for personal, residential household purposes, and for **one (1) year** for any other purpose.

This warranty applies to all components which form part of the original Braemar evaporative air conditioner, but excludes filter pads, ductwork and other related installation components.

A ten (10) year warranty is available on the following structural components:

- | | |
|--------------------------------|----------------|
| 1. Polyethylene reservoir | 2. Fan housing |
| 3. Aluminium structural frames | 4. Cabinet top |

Travel charges apply for units located more than 35kms from an authorised Braemar service agent.

No other person, company or corporation is authorised to offer, or give on our behalf, any other warranty.

Nothing in this warranty shall be construed as affecting any rights you may have under all relevant laws, or Commonwealth or State Legislation which gives you rights which cannot be modified or excluded by agreement. The benefits conferred are in favour of the original Retail Purchaser and any persons deriving title to the Braemar air conditioner whilst in its original place of installation.

This warranty does not apply to any consequential loss suffered through, or resulting from, the non operation, or ineffective operation of the evaporative air conditioner.

The warranty does not cover damage to the air conditioner or other loss resulting from acts of God.

This warranty is conditional on the unit being installed, operated and maintained in accordance with the instructions provided. The warranty does not apply to damage or adjustment due to misuse of the unit or faulty installation or commissioning, or where non-Braemar components have been used.

Note: The Manufacturer and its Agents reserve the right to refuse service unless safety and accessibility to the unit can be guaranteed. The cost of any extra equipment to provide access to the unit for the servicing is the responsibility of the owner. If a service call reveals no fault found with the air conditioner, a charge will be made for the call.

Warranty Information

RPA & RPB Range

A warranty of one year applies to general component parts, supported by a one year structural warranty for marine grade aluminium. A two (2) year warranty to the fan motor.

The company assumes no responsibility for damage resulting from accident, abuse, misuse, or where repairs have been made or attempted by unauthorised personnel.

The extent permitted by law, all other conditions and warranties, whether expressed or implied, are hereby excluded.
